A Message from the President

Judy Kahl

Fall has always been a special time of year in this former educator's life: new school year, new bright-eyed students, new beginnings. Paint & Powder, too, is starting a new year and we're starting off with a bang! Our Fall Outing is sure to be a big hit with the return of the Big Bopper, delicious foods... Did I mention oysters?, and some fun activities being planned by Co-Chairs Eileen Chiat and Geri Schlenoff. Do send in your reservations and bring along your friends, family and neighbors for some casual Saturday afternoon fun.

I hope everyone had a good summer, and from some of the pictures I saw on Facebook, some fabulous times were had. And, I hope those members who had surgical procedures are doing well and are up and about. (See Almoner's report)

Frank Fiske, Charity Selection Committee Chair, has a new committee ready to consider the charity applications being submitted. There is still time to send in an application for your favorite charity.

Having fun and fundraising is what we do in Paint & Powder. So, put on your thinking caps and send your suggestions for new fundraising ideas to Marge Pearce. Let's think outside the box!

Looking forward to see you at the Fall Outing!

Attention P&P Members...

We need your help in “brainstorming” for new and innovative ideas for fundraising.

As you know, the 50/50 Raffle has replaced the President’s Ball Live and Silent Auction to provide funds for our charities. The first year was a huge success raising almost \$10,000 with almost \$5,000 going to the winner. This year we are going to change it to a Raffle where we will have three winners. 1st, 2nd and 3rd place hoping we will motivate you to buy and sell more tickets if we have more winners!

However, we need additional ways to raise these much needed monies. Please let’s envisage together. Think of the various ways others raise money at their events etc.

Any and all ideas are welcome! Please contact Marge Pearce, Chair of Fundraising, at pearcemarge@comcast.net or call me 410-272-3929.

ALMONER’S REPORT

Trisha Bitzel

Trish Bitzel

Frank Fiske had cataract surgery that didn't go so well but is improving.

Paul Hall is recovering from a bout of cancer.

Chris Hergenroeder is undergoing more chemo, but was able to go on a cruise.

Cheryl Moss had a knee replacement on August 19th. Although not yet running a marathon, she has recovered remarkably well.

Bud Piff had his much needed hip surgery that went well. Bud also had a house guest for a week or so. Jim Burnside drove down from Indianapolis for a trip to Pa. with Bud for a railroading expedition (small trains).

Bonnie King-Rose has returned home from the hospital following major foot surgery. She is wearing a boot with her foot wrapped in bandages. The physician inserted metal in the joint so she can bend her toe. This type of operation will enable her to dance in our next Paint & Powder Show.

Please continue to keep Trisha notified

P&P Acknowledged at Linwood School

Ms. Kayla and her students

Did you know that, since 2004 when **The Paint & Powder Club** began its association with Linwood, the Club has raised **\$107,385** for Linwood? The Paint & Powder Club is one of Linwood's most sustained and highest dollar donors in Linwood's 60-year history. What better way to thank the

Club than to designate our brand new Music Room in our brand new school building as, **The Paint & Powder Club Music Room**. This permanent plaque is affixed for all to see and will remain a part of the new building for all time.

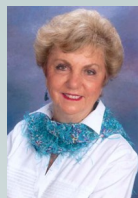

We have a few DVD's from *King Willy's Court* left. **Len Wasilewski** just sold two this week...way to go, Len!

If you have a storage locker key...that's okay...just let me know who you are.

Do you still have a costume from the last show? I know you hate to part with it, but, if you'll bring it to the Fall Outing, I'll put it in storage. — Judy

Last year's tree decorating committee

The Chiats will again be getting the P&P club a 4 ft. tree for the Kennedy Krieger Festival of Trees. The festival is around the corner—November 28-30 at Timonium Fairgrounds. Geri needs help with decorating the tree. Judges are needed on Tues 11/25 from 3-6. Anyone from the age of 5 on up can judge. Great way to spend time with children and grandchildren. School students are given volunteer hours for their assistance. Judging is free. Also, if anyone would like to volunteer during the festival please let me know. Free admission if you volunteer.

Storage Locker Fun? Part II

You may recall in my first newsletter an article re the not-so-fun time I had at the storage locker with the hopes that a larger locker could be found. Thanks to the research and legwork by John Hergenroeder, a larger, less expensive locker in a climate controlled building was recently rented in the heart of Towson. John spearheaded

the move (via free truck from the storage company) with the help of muscle men, Bill Johnson, John Codd, John Coale and Mark Schlenoff. Awaiting their arrival at the new facility to help unload and offer their pretty assistance were Betsie Johnson and Jean Jones. This was an awesome job, not without a few glitches, but, this move should be a tremendous improvement for organizing all our costumes, lighting, sound equipment and props. Thank you, John Hergenroeder, and to all who helped with this project. I hope that this will be the final Storage Locker Saga (and, I'm sure you members do, too!). – Judy Kahl

The Performing Arts Award program, presented by Duke Thompson and Honor Branch, was approved by the Board of Governors at the board meeting on September 8, 2014.

John and Chris Hergenroeder

This award program was created to publicize the Paint & Powder Club and attract new talent for our annual show which could potentially increase ticket and program sales. These new performers are also candidates for club membership.

A cover letter and two page application was sent via email by the committee members to the department head of various high schools, colleges and private studios in the Baltimore area that have a performing arts program.

The committee members are: Honor Branch, Chris and John Hergenroeder, Carla Merrick, Bonnie and Bill Rose and Duke Thompson.

Applications along with their talent video must be returned to us by November 30, 2014. Winners of the vocal and dance/choreography categories will be selected by Bernie Cook and members of the future talent selection committee.

A special thank you goes to Mark Merrick for helping committee members get their computers working to do this project by email.
