## A Message from the President

Judy Kahl

Oh, what a night we had on December 6, 2014! Our annual Christmas Dinner Dance was held at the Towson Golf and Country Club which was beautifully decorated for the holidays. And speaking of beautiful, the ladies (and gentlemen) were glamorous in their festive attire from sparkling reds to dramatic blacks. (Did I see the godfather in attendance?) Carolyn Manning, the chair of the event and her helper, Sandy Stellman did an excellent job with greeting everyone and making sure our members and guests were having a good time. Thanks to Ellen Hillis, the members received their new rosters and raffle tickets (thanks, Frank Fiske, for getting these printed in a timely manner). Oh, yes, and the obligatory 12 Days of Christmas was sung. Reminder to Table 5, there will be a surcharge of \$5 per person to sit at your special location next year!

On Monday night, December 8, 2014, some members of the Men's Chorus, along with six female vocalists, sang at Roland View Towers. A most appreciative audience joined in singing with us and even Santa made an appearance. The true meaning of Christmas was apparent when everyone joined hands and sang "Silent Night."

Our mid-winter meeting was held on January 14, 2015 at the L'Hirondelle Country Club in Ruxton. Thank you, Honor Branch, for sponsoring us, and thanks to Chris and John Hergenroeder for selecting the menu, which was appealing and delicious. We had a record number of Past-Presidents in attendance who were among the most rowdy, especially during the meeting. We sang Happy Birthday to two of our favorite members who celebrated 90+ years of birthdays, Dan Brooks and Al Long.

Our Charity Fundraiser, A Concert Cabaret, was a huge success. We had many members attending as well as guests from outside the Paint and Powder Community. Representatives from our two charities, Maryland Conservatory of Music and The Children's Playhouse of Maryland, were in attendance as well. Many thanks to Duke, Bernie, and Dale for giving us a beautiful musical evening. Thanks, also, to Bernie for transforming her home into a Cabaret setting with seating for 40+. It was a magical night!

We wish all our traveling snowbirds a safe trip South, and we'll look forward to seeing you in March, suntanned, rested and ready for the President's Ball and "Judge Judy, the Musical" auditions.

*Judy Kahl*

## From the Desk of John Hergenroeder...

**T**he Paint & Powder Club held its annual Mid-winter meeting on January 14, 2015 at the L'Hirondelle Club in Ruxton MD. The affair was attended by 47 club members. The cocktail hour, held in the Lake Roland Room, was followed by a buffet in the Great Room. The food was tasty and plentiful and the staff was very attentive. This is the first official Club meeting held at L'Hirondelle in the last seventeen or eighteen years.

A meeting was held with reports submitted on the club's financial status, membership, fundraising efforts, show book ad blanks were given out by Frank (Frank has done the show book for the last 40 years and he has been in 39 shows) and Bernie gave a brief description of the show planned for next May.

Chris Hergenroeder gave an update on the Paint and Powder Performing Arts Award. We have two very talented young people that we interviewed several weeks ago who have been invited to be in the show this

year. Emma is a singer and Brady sings and dances. To be eligible for the award the contestants must perform in the show. There will be two awards given out on the final night of the show. Each contestant will receive up to \$1,000 each depending on their level of performance. Money for the awards will not come from the club's funds or from the Charity Fund. We have received pledges of \$1,500 towards the \$2,000 as of this writing. The awards program was approved at the September Board meeting. It is hoped that the awards will attract young talented people to the club along with increased ticket sales and publicity. We need an additional \$500 for the awards fund. If you are interested contact Chris Hergenroeder at 410-823-7355.

The evening ended with a number of jokes recited by Jerry Chiat. Mickey Webster started the tradition of ending all meetings with jokes many years ago and Mickey is a hard act to follow!

## ALMONER'S REPORT

**Trisha Webster**

**Liz Chuday's mother** passed away in November.

**Harry Davenport** was in route to pick Ethel up for a get together at Bernie's when his back tire struck a heavy piece of metal disabling his car. He got a rental, continued on to pick Ethel up, called Bernie who said don't you even think about it. Stay home.

**Ted Gregory** attended the Christmas Ball with a soft collar rather than a bow tie and used a crutch rather than a dapper cane.

**Lucy Kahl**, Chris Kahl's stepmother, died at age 90. Lucy had a life filled with laughter and love.

**Bill Moss** was admitted to the hospital on New Year's Day and remained there for a week with herniated discs in his back that are compressing the nerves to his right

Trisha Webster

leg. He is home now and scheduled for surgery on February 2nd.

**Charlie Roebuck** had surgery on December 15 at University of Maryland Hospital to remove a tumor from the inside of his spine. Charlie has been experiencing a great deal of pain. Elsie said he will have a lengthy recovery and will move to Kernan for rehab. Cards may be sent to his home - 5704 Stony Run Rd., Baltimore, MD 21210.

**June Thompson's mother** passed away recently after a stay in Hospice.
