A Message from the President Bonnie King-Rose

OW!!! Bonbon's Naughty, Bawdy Gaudy Musicale, under the direction of Roderick Clark, was a huge hit. This hard-working group wanted to get it right, and get it right they did! In fact, the Director could not even give out the infamous "screw-up award" because nobody did.

I will be forever grateful to this hard-working capable group who worked so hard for all the tasks this club requires. You stepped up, used your creativity, and gave me a wonderful year as your President.

All of our events were successful and fun...those Chairs knew what they were doing...and we will have just as much fun next year. We had several new cast members who we enjoyed immensely; and we would welcome them with open arms to share the Paint and Powder Club camaraderie.

Donne

We are very proud that we will be awarding well over \$30,000 to our two charities, Maryland Conservatory of Music and the Maryland State Boychoir. Both those charities were terrific in the show...a wonderful addition.

I feel positive about the club. It takes a Village and we have one! Once again, thank you all from the bottom of my heart.

Have another,

Bonnie King-Rose

Paint & Powder Club 2017 Production Report

BONBON'S NAUGHTY, BAWDY, GAUDY MUSICALE!

t was Naughty! It was Gaudy! It was Bawdy! It was a MUSICALE! It was FUN! It was an AR-TISTIC SUCCESS! It was enjoyable, entertaining, exciting and it was... more than a director could ask for. Great cast of performers, great costumes, great production team, and a wonderful group of young men from the Maryland State Boychoir. Once again, it was a financial success.

When the cast met on March 20, 2017 to begin their process of preparing for June 1, 2 and 3, many hours of prep work had begun in June 2016. As I began assembling the outline for BonBon's Naughty, Gaudy, Bawdy Musicale, I knew that this production needed exceptional musical direction, new costuming, enhanced production value in lighting and sound and talented people to perform the 30 musical numbers, assemble 379 costumes, create 12 feather fans, design and create a classical set, three performers to make the opening number one that set the tone for what was to follow and dedicated singers and dancers to ensure that the 90 minute production had energy, timing and the enthusiasm to keep the audience entertained and enthralled. It

Rod Clark

was that crowd pleaser.

From the opening number through the myriad of Elvis', strippers, old drag hookers, to the beautiful ballet of waltzing flowers (I am still apologizing to the Bolshoi Ballet) to the numerous Rose songs, I have heard, as I know everyone involved in the production did, only accolades and praise for the entertainment, joy and laughter the show created.

Thank to everyone associated with and to the nearly 500 people in attendance for the 2017 Paint and Powder Club's production.

Stay tuned, 2018's show is developing. 2018 will be here soon! Let's HAVE ANOTHER!
