## A Message from the President Rod Clark

**G**reetings from your Paint and Powder Club President,

I have been very busy planning and organizing for the year ahead of P&P. In this issue of the newsletter you will find the listings of the officers, both elected and appointed, the various committees with the Chair and Governor Advisor for each committee and the Committee Charters. Let me explain that the Governor Advisor was a position the club maintained from its beginning and continued for many years. Their purpose is to provide a liaison from the Board of Governors to serve on each committee to ensure that the committee was indeed planning activities in accordance with the charter and report on the committee's progress to the Board of Governors at the Board Meetings. I am still developing the 2018-2019 Budget and should present this at the next Board meeting, on September 17, 2018 at Basta Pasta, 60 West Timonium Rd, Timonium, MD 21093.

# Starlit

Our indie film, "Starlit," is racking up the awards.

This past weekend we just won "Best Feature Comedy" at the Indie Gathering Film Festival (I think that's in Cleveland) and we'll be screened in the San Francisco area this weekend at the California Independent Film Festival.

Had our Manhattan premiere a few weeks ago!!! I have one of the lead roles.

## Award-winning "Starlit" Movie Makes Manhattan Debut This Wed. Aug. 1

July 31, 2018 NY, NY -- The award-winning independent feature film "Starlit" is making its Manhattan premiere on Wednesday, August 1 as part of the NewFilmmakers series. Location is the historic Anthology Film Archives, 32 Second Ave., NY, NY. Most of the cast and crew are from New York, where the movie was partially filmed.

The night kicks off with a 5:30 p.m. reception featuring top cast and crew, with the screening at 7:45 p.m. Movie-goers are encouraged to come early to get a seat as there are no advance purchases. Tickets are \$7.00 at the door and are good for all NewFilmmakers screenings that day. NewFilmmakers is New York's longest running and most popular screening series.

### About Starlit:

Jessica Alvarez (Valentina Corbella) is twenty-four and bored. She craves independence and adventure; she needs to feel alive. What she has is an MBA, a safe corporate gig, a bland boyfriend Roger (Cory Cannataro), a steady supply of pills for her ADHD and a room at home with a suffocating mother (Liz Chuday). Then she meets a mechanic (Anthony Tether) who steals her heart. They hit the road, hiking the Appalachian Trail by day and stargazing at night. But is he too good to be true?

- Best First-time Filmmaker, Chautauqua Independent Film Festival
- Best Feature Film, New Jersey Film Festival
- Best Feature Comedy, Queens World Film Festival
- Also nominated for Best Narrative Feature, Best Director — Narrative Feature and Best Actress in a Feature, Queens World Film Festival
- Starring Valentina Corbella, Anthony Tether, Cory Cannataro, Liz Chuday, Lara Alcantara and Nancy Rubel.

## ALMONER'S REPORT

Trisha Webster &  
Carolyn Manning

Trisha

Carolyn

**Bernie Cook.** (a message from Bernie herself) Don't you just HATE to discuss health, operations, funerals, etc.? Sorry to tell you all that when I thought I danced my rear end off at Fagar's Island last month & slipped a disc, it turns out that I have a cyst in my lower back which causes pain & numbness, but even worse, makes me limp. Me! Limping! I HATE IT! But I'm going with Judy Kahl to China & Tibet anyway, Sept 17th. A little cyst will not keep this girl down! I will use a cane for my limp (am searching for a glamorous one), get a shot for the pain, & hire pedicabs to take both of us around instead of hiking with the 28 other people in our Vantage Travel group. Judy's knees are talking to her more & more, so she will get shots & travel in style also. The wounded warriors will conquer all! When we return we both have scheduled operations, hers in Baltimore & mine in Salisbury. I've been using Sam's scooter to go to the beach. Took my cane in the ocean with me to ride the waves & now it's stuck cause of the salt & sand, so I now use another one that even folds - but not in the ocean. Alas, life goes on!

Upon their arrival home, Bernie and Judy will be looking to undergo surgery—one the cyst on her spine; the other for knee replacement(s). Keep this in mind!! Help may be welcomed!!!!

**Larry LeDoyen**, former member, passed away at Gilchrist July 10, 2018 after a severe stroke some days earlier.

**Henry P. Hopkins** died July 26, 2018. There was a lovely write up about Henry in the Baltimore Sun, which included his career with Paint and Powder. Henry was a dancer, worked with the stage crew and attended Bill

MacMeekin's lunch gatherings. Henry was a gentlemen extraordinaire.

**Carolyn Manning** is busily prepping her house on Iron Mill Garth to be put on the market. Her new location will be Mercy Ridge, and she is happily looking forward to it!

The perils of Carolyn Manning. If anything could have gone wrong, it did! Carolyn must travel with oxygen and made all the necessary arrangements for it to be available on the west coast upon her arrival. She transferred to the ship for her cruise with Fran Rossi, but alas, that did not happen!! It was a sleepless night and many, many phone calls before things began to take shape. Because of Carolyn's diligence, her oxygen did arrive and was transported to shipboard before boarding. Rumor has it that with everything that is taking place in the next few weeks, Carolyn is trying to schedule a nervous breakdown at a convenient time! We wish her well!

As her adventures continued, Carolyn and Bernie Cook, along with Judy Kahl, hosted lovely dinner parties at the beach for a girls week in July, in spite of Bernie's back situation. Hence comes Judy to give Bernie a little more than a hand. The weather was not wonderful, but the company was pure sunshine!

**Bonnie and Bill Rose** are currently vacationing in Ocean City and Bill is really enjoying it. They are planning to extend their stay to enjoy it even longer.

**Toni Rosenblatt** had a screen removed from an artery/vein in her neck which was put in place previously to filter clots if necessary.

**Geri Schlenoff** underwent surgery on her arm and wrist the week of August 13th. She has been wearing a brace for quite a while in hopes of relief, but alas, it did not work.

**Doris and Harry Silverwood** finally made it to the beach after shooing all the doctors away. It seemed as though it would never happen.
